

Greetings, Watkins families!

We are very excited for the start of a new school year! Great things are happening at Watkins, and we can't wait to show you and your student what's ahead. We've worked hard to ensure we found the best and brightest to join our Watkins family. The list below indicates our newly hired teachers, some of which are in the final stages of their onboarding process. Once all clearances are complete and approved, we will share the staff member's name with the community. Please give them a warm welcome to the Watkins and Capitol Hill Cluster community.
